Bible Quizzing

Who:

Students in middle and high school. Students who like competition, fun, fellowship, and growing deeper in their relationship with the Lord. We now offer Junior Quizzing for 3rd-5th graders. Junior Quizzing competes 4 times per season.

What:

A monthly competition based on the Book(s) being studied with other quizzers from around the district. We will be studying the Books of I & II Corinthians (NIV).

Where:

At a church near you (hopefully). Check out the schedule on the back of this brochure.

Why:

To help young people hide God's Word in their hearts. To help students make lasting connections with their peers and their adult coaches. To see lives changed by the impact of the Living and Active Word of God.

This is an incredibly fun activity that yields benefits for an entire lifetime; whether a student becomes a scientist, plumber, pastor, or stay-at-home mom, God will honor His Word in his or her life.

An intimate knowledge of God's Word is a powerful tool for God to use, and we exist to equip kids with that tool.

We have a range of quizzers from those who quiz to get together with their friends from around the state each month all the way to kids who memorize all of the Scripture being studied and love the competition. Whatever their motivation— they are hearing the Word, learning the Word and the Word is making an impact.

When:

One Saturday a month for competition, plus weekly practice at your church! Each quiz meet begins with a coaches' meeting at 9:00 a.m. and quizzing starts at 9:30 a.m. Lunch is provided by the host church for \$4 per person.
